Sanctuary Cove QLD 4212

Dear Ms Kimber

### **Class B Asbestos Removal Licence Application**

I refer to your application for a Class B Asbestos Removalist licence lodged on 21/08/2017.

As authorised delegate of the regulator, I am satisfied that the application meets the requirements of section 492, 494 and 499 of the *Work Health and Safety Regulation 2011* (the regulation).

Your licence to carry out Class B Asbestos Removal is enclosed. This licence takes effect from 18/09/2017 and is valid until 17/09/2022. The licence condition is endorsed on the licence.

Please be advised that if the class B asbestos removal work is being carried out by more than one person, the licence holder must ensure a supervisor is readily available to the workers carrying out the asbestos removal work and all workers must have certification in CPCCE3014A *Remove non friable asbestos* or CPCCE3015A *Remove friable asbestos*.

A class B asbestos removal work supervisor must be at least 18 years old and have at least one year of relevant industry experience. The supervisor must have certification in CPCCE3014A *Remove non friable asbestos* or CPCCE3015A *Remove friable asbestos*.

As a licensed asbestos removalist you are now required to ensure compliance with the current legislation and regulations. Information regarding the new legislation is available on our website [www.worksafe.qld.gov.au](http://www.worksafe.qld.gov.au) or by calling the department's advisory service on 1300 631 948.

Yours sincerely

**Johanna Sutherland**
